Skin cancer

Prostate cancer

Types of Cancer

A close-up photograph of a young girl with dark skin and curly hair, wearing a star-shaped earring. She is holding a white tissue to her nose, appearing to be sneezing or crying. In the background, a woman with dark skin and a mustache is smiling warmly at her. The text "Symptoms of Cancer" is overlaid in white on the girl's face.

Symptoms of Cancer

A female scientist with short brown hair, wearing a white lab coat and white gloves, is shown in a laboratory setting. She is holding a small vial with a red label and looking at it intently. The background is filled with laboratory equipment and shelves, creating a professional and scientific atmosphere.

Treatment for cancer

Cancer in young people - Statistics

A young man with dark hair, wearing a blue jacket, is shown in profile, looking down with a distressed expression. His right hand is pressed against his forehead, suggesting pain or deep thought. The background is blurred, focusing attention on the subject's emotional state.

Why Cancer is harder for
teenagers.
